

MALTA ENTERPRISE MALTA INDUSTRIAL PARKS LTD

Expression of Interest

Infrastructure Project Managers

Closing date: 26th June, 2009 at 1600 hrs

Malta Enterprise and Malta Industrial Parks Ltd are seeking the services of infrastructure projects managers who should be individuals willing to enter into a contract of service with the above-mentioned organisations on projects which require construction and infrastructural works.

The selected applicants should be able to work solely from Malta Enterprise/Malta Industrial Parks, will be engaged on a contract of service for the duration of the project, and are not to form part of a firm. They should demonstrate significant knowledge and experience in handling large scale projects and able to understand and deal with architectural and engineering issues without necessarily being architects or engineers. Applicants also need to be excellent project managers in terms of contractor management, contract negotiations, project planning and scheduling and well as project monitoring.

Interested applicants are to send a detailed CV outlining their qualifications, experience, and achievements to the Executive Chairman, Malta Enterprise, Enterprise Centre, Industrial Estate, San Gwann SGN 3000 or on e-mail hr@maltaenterprise.com Only applications that reach Malta Enterprise by the above closing date and time will be considered.
