SIAL - The Global Food Market Place **Paris - Nord Villepinte** **17 - 21 October 2010**

Closing date for applications: Monday 16th November 2009

Sial is a meeting place for the entire food service industry. For five days, enterprises can meet and discuss directly with global players from the food, retail and catering industries.

This event attracts around 5,500 exhibitors from 101 countries and more than 148,000 visitors from 185 different countries, of which 81% are actively involved in purchasing.

Therefore, enterprises involved in the food and beverage industry should not miss this opportunity to participate at this very important trade event.
