## Libya Build

**The 7th International Building and Construction Expo  
16 - 20 May 2010**

Closing date to book space at the Pavilion reserved by Malta Enterprise:  
**Friday 11th December 2009**

Closing date for applications by the fair organisers  
(not necessarily at the Pavilion reserved by Malta Enterprise):  
**Thursday 1st April 2010**

For the seventh consecutive year, this international building and construction expo (**[www.libyabuild.com](http://www.libyabuild.com)**) being held in Tripoli, Libya, will bring together importers, retailers, manufacturers, architects, building contractors and government representatives with international suppliers in the construction industry. Therefore, enterprises involved in the following sectors should not miss this opportunity to participate at this very important specialised trade fair:

- Building and construction
- Related building materials and machinery
- Services related to the construction industry
