**17th - 18th March, Aachen, Germany**

**Closing date for applications:** 15th February, 2010

Malta Enterprise is inviting interested parties to send in their applications to participate in one of the leading Life Sciences brokerage events in Europe during Biomedica 2010.

### **The Event**

Biomedica provides a platform for exhibitors and visitors to find partners from throughout Europe in this multidisciplinary event where science meets business. The Summit fosters cooperation within institutes and enterprises to improve product innovations.

The event focuses on integrated topics and convergent technologies within:

- Biofunctional materials, engineering and devices
- Advanced development for (bio) pharmaceuticals and nutraceuticals
- Disease-specific diagnostics and personalized medicine
- Integrated care solutions & services
- Valorisation, innovation and key success factors in business development

The Summit also hosts an accompanying exhibition highlighting institutions and leading enterprises from life sciences. The exhibition provides the opportunity to discuss breakthrough discoveries with influential persons.

### **What is a brokerage event?**

A brokerage event is a series of prearranged meetings organized at a single venue for SMEs from across Europe. In general, brokerage events are held at conferences, trade shows or exhibitions.

If you are seeking new contacts for:

- Technology Transfer
- Strategic Alliances
- Distribution Networks

participation at Biomedica Brokerage event could be an opportunity for your company to network with potential business partners.
