Malta Enterprise is government's exclusive focal point for all those considering investment, trade and commercial links with Malta. It provides dedicated assistance in identifying suppliers and sources of expertise. Malta Enterprise representatives would be happy to host you and coordinate your logistics when visiting potential suppliers in Malta.

# The Malta Enterprise Office Tripoli - Libya

Malta Enterprise is government's exclusive focal point for enterprise in Malta and for all those considering investment, trade or commercial links with the island. Malta Enterprise enables businesses to maximise Malta's strategic resources and capabilities, particularly when competing in uniquely targeted niche markets.

You are welcome to utilise the services provided by the Malta Enterprise Office in Tripoli, Libya, namely:

- Information on suppliers of goods and services from Malta.
- Identification of business and trade opportunities with Malta.
- Organisation of trade delegations and trade fairs participation.
- General information on Malta.

The Malta Enterprise Libya Office is situated at Al Fateh Towers, just opposite the Tripoli International Fairgrounds.
