Notes:

- The Business Delegations/Brokerage Events refer to events organised by Malta Enterprise whereby companies will form part of a delegation to a targeted market/s and one-to-one meetings will be held
- The Trade Exhibitions are usually fairs where Maltese companies have their own stands under the 'umbrella' of ME.
- This list does not include those fairs where Maltese companies take part on their own initiative, though they may obtain Malta Enterprise funding under the current Malta Enterprise schemes
- The proposed programme is partly sponsored by HSBC Bank plc.
- The programme of events may be subject to change and is demand led. Other events may also be included
