

Call for Business Advisors Energy conservation

Closing date for applications: 13.00 hrs of Thursday 30th October, 2008

Malta Enterprise is seeking the services of a number of professionals to provide mentoring and consultancy to enterprises in;

- energy audits
- energy efficiency
- energy generation from alternative sources

The selected applicants will be engaged for a period of 24 months. This engagement shall not constitute a contract of employment but could lead to a number of specific assignments.

The ideal candidates should have strong interpersonal skills, relevant experience and significant knowledge of current issues relating to the area under which they offer their services. Candidates must hold a relevant degree or equivalent.

Terms of reference and the relevant application form can be downloaded from <http://support.maltaenterprise.com/advisors/energy>
Further information on the above can be obtained by sending an e-mail on: info.advisors@maltaenterprise.com

All applications are to be deposited in the appropriate Tender Box at Malta Enterprise by the closing date indicated above.
