## Doing business with Libya Malta Enterprise Libya office membership

Libya is already one of Malta's most important business and trading partners in North Africa and two-way trade, investment and other business linkages between the two countries will continue to expand.

The Malta Enterprise Libya office is a non-profit making set-up to serve as the focal point for Maltese companies interested in doing business with Libya. The mission of the Malta Enterprise Office in Libya is that of providing companies with practical services designed to facilitate business and by doing so, increase the level of bilateral trade and investment between the two countries.

Some of the services provided include:

- Malta-Libya Business Club
- Business bureau facilities
- Identification and transmission of business opportunities
- Tender information service
- Bi-monthly Libya Business Newsletter
- Advisory services on doing business with Libya
- Business missions and delegations to Libya
- Market research services on demand
- Participation in trade shows

### **Membership of the Malta Enterprise Libya office**

Regular Membership would entitle the company to use the services mentioned above, some of which are provided for a nominal charge while others are provided free of charge. Companies can become members for an annual fee of €233.

**Anyone seriously interested in doing business in Libya should become a member.** The application form can be filled online from the Malta Enterprise website on [www.maltaenterprise.com](http://www.maltaenterprise.com) under the publications link.
