

MaltaEnterprise

Expo Italia Real Estate (EIRE) 2010

6th Edition

www.italiarealestate.it

Fieramilano

8th - 10th June 2010

Closing date for Applications: 12th February 2010

Malta Enterprise is inviting interested parties to send in their applications to participate at one of the leading real estate exhibitions held in Northern Italy. Malta Enterprise will organise a national pavilion.

The exhibition attracts around 350 exhibitors from 49 countries on a 35,000 sq. m. exhibition space. Over 14,000 professionals visit the fair together with 350 accredited journalists.

Your Business Opportunity

If your business services are involved in the following activities:

- Retail real estate services
- Property development
- Project management
- Engineering and architecture services
- Consultancy in property development
- Tourism real estate
- Asset management and financial services
- Or you are looking for potential partners for your current or planned projects

this event may present you with the opportunity to establish the right business contacts.

EIRE offers the possibility of a constructive dialogue with the:

- Private professional sector: developers, designers, architects, consultants.
- Italian and International investors interested in specific territorial and functional projects: tourism, retail, logistics, infrastructure, residential and services.
