

Get Qualified
and get up to 80% of your
expenses back

What is Get Qualified?

Get Qualified is a tax incentive awarded to individuals who successfully develop their knowledge and competencies through recognised academic qualifications required to address the future economic development of Malta.

From what can I benefit?

By applying for this incentive you can benefit from a tax credit of up to 80% on expenses incurred on course and examination fees.

What areas of study are covered?

Studies undertaken should lead to the achievement of tertiary qualifications that are directly relevant to careers in any of the following industries:

- Aviation
- Chemical and Pharmaceutical
- Economics and Statistics
- Financial Services
- Creative Industries and Crafts
- Information and Communication Technologies
- Industrial Electromechanical Engineering

Contact Business First or your local training provider for information on how to apply for this incentive.

The full list of approved courses and complete details on this incentive may be downloaded from www.maltaenterprise.com/getqualified.
