The incentive is intended to support family businesses operating in all economic sectors unless excluded from the *Commission Regulation (EU) No. 1407/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid (the de minimis Regulation)* (Vide Section 5)

3.2 Eligible Costs

The eligible costs and expenses under this incentive are in relation to:

- The assessment of duty chargeable when an individual transfers of shares or interest in a partnership, trust or foundation to family members.

Duty shall be charged on the first five hundred thousand euro (€500,000) of the value of the property transferred at the rate of three euro and fifty cents (€3.50) per one hundred euro (€100).

Transfer of shares or interests in a partnership, trust or foundation held in a family business which carries on a business, no account shall be taken of the first one hundred and fifty thousand euro (€150,000) or such other greater amount as may be prescribed of the value of shares, or interests in a partnership, trust or foundation transferred.

3.3 De minimis aid

The aid shall be considered as *de minimis* aid. The total value of *de minimis* aid granted to a single undertaking may not exceed the amount of €200,000 over any period of three consecutive fiscal years.

4. Application Process

Family Businesses seeking support under these Incentive Guidelines should request the required support from the office of the Regulator for Family Businesses. If the Regulator agrees to provide the requested support, an Incentive Entitlement Certificate shall be issued to the applicant indicating the support that may be claimed. The application form shall include:

- A *de minimis* declaration.
- Confirmation that the applicant is a registered Family Business.

5. State Aid Rules and Obligations

5.1 Applicable State Aid

These Incentive Guidelines are in line with the *Commission Regulation (EU) No. 1407/2013 of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid* (the *de minimis* Regulation)².

The total amount of *de minimis* aid granted to a single undertaking shall not exceed the amount of €200,000 over any period of three consecutive fiscal years.

This aggregate maximum threshold applies in principle to all economic sectors with the exception of the road transport, agriculture and fisheries sectors for which different thresholds and criteria apply. The term 'undertaking' includes also all companies in a group (which fall under the direct or indirect ownership or control of the same ultimate parent company) and relevant partner and linked enterprises as defined in Annex I of Commission Regulation (EC No 800/2008). This period covers the fiscal year concerned as well as the previous two fiscal years. 'Fiscal year' means the fiscal year as used for tax purposes by the undertaking concerned.

This maximum threshold would include all State aid granted under this aid scheme and any other State aid measure granted under the *de minimis* rule including that received from any entity other than Malta Enterprise. Any *de minimis* aid received in excess of the established threshold will have to be recovered, with interest, from the undertaking receiving the aid.

The *de minimis* declaration form³ must be filled in and submitted together with the application form.

5.2 Applicability of the Aid

Assistance approved under this aid scheme is NOT:

- a. Aid granted to undertakings active in the fishery and aquaculture sector, as covered by Council Regulation (EC) No. 104/2000⁴;
- b. Aid granted to undertakings active in the primary production of agricultural products;
- c. Aid granted to undertakings active in the sector of processing and marketing of agricultural products, in the following cases:
 - i. Where the amount of the aid is fixed on the basis of the price or quantity of such products purchased from primary producers or put on the market by the undertakings concerned;
 - ii. Where the aid is conditional on being partly or entirely passed on to primary producers;
- d. Aid to export-related activities towards third countries or Member States, namely aid directly linked to the quantities exported, to the establishment and operation of a distribution network or to other current expenditure linked to the export activity;
- e. Aid contingent upon the use of domestic over imported goods;
- f. Aid for the acquisition of road freight transport vehicles granted to undertakings performing road freight transport for hire or reward.
- g. For Voluntary Organisations

Where an undertaking is active in the sectors referred to in points (a), (b) and (c) above as well as in other sectors falling within the scope of the *de minimis* Regulation, the Corporation will ensure a separation of the activities or distinction of costs. Only those sectors eligible for assistance under the *de minimis* Regulation

will be assisted. Activities in the sectors excluded from the scope of the *de minimis* Regulation will not benefit from assistance under this aid scheme.

5.3 Cumulation

In terms of Article 5 of the *de minimis* Regulation, *de minimis* aid granted under this incentive may be cumulated with *de minimis* aid granted in accordance with Commission Regulation (EU) No 360/2012⁵ up to the ceiling laid down in that Regulation. It may be cumulated with *de minimis* aid granted in accordance with other *de minimis* regulations up to the relevant ceiling fixed in terms of these Incentive Guidelines.

De minimis aid approved under the **Family Business: Transfer of Ownership** shall not be cumulated with State aid in relation to the same eligible costs or with State aid for the same risk finance measure, if such cumulation would exceed the highest relevant aid intensity or aid amount fixed in the specific circumstances of each case by a block exemption regulation or a decision adopted by the European Commission. *De minimis* aid which is not granted for or attributable to specific eligible costs may be cumulated with other State aid granted under a block exemption regulation or a decision adopted by the Commission.

⁵ Commission Regulation (EU) No 360/2012 of 25 April 2012 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to *de minimis* aid granted to undertakings providing services of general economic interest (OJ L 114, 26.4.2012, p. 8).
