1. Is second-hand machinery or equipment that is first time used in Malta eligible for support?

No, the scheme can support only completely new machinery or equipment.

2. Are tools eligible?

Hand operated tools and electrical-powered tools are not considered for support.

3. Are tower cranes eligible?

The scheme covers the replacement of construction machinery and/or equipment powered by internal combustion engines manufactured prior to 2015. Therefore, tower cranes are not eligible.

4. Can machinery or equipment be bought from one supplier and customised by another supplier?

The Corporation shall only accept **ONE** invoice per replacement. Thus, any modifications to the main equipment have to be from the same supplier and detailed on the same invoice of the item bought. The complete customised machinery/equipment as detailed on the invoice, must perform the same function as the equipment being replaced.
